Tennessee has made a commitment to promoting good health in children from birth until age 21. It's called the TENNderCare program. TENNderCare is a full program of check ups and health care services for children who have TennCare. These services make sure babies, children, teens and young adults receive the health care they need.

> "Every child in Tennessee deserves to grow up healthy and happy. TENNderCare is the state's commitment to see that our children and teens have the best start at a healthy life."
>
> - Phil Bredesen - Governor

Good health begins at birth, so it's important to Check In, Check Up and Check Back.

Check In!

The check ups and other services are done by doctors, dentists and other health professionals.

What does TENNderCare provide?

- **Free** check ups
- Dental check up and services
